EXECUTIVE SEARCH • MANAGEMENT CONSULTING

BACKGROUND

Peoria Notre Dame High School has a current enrollment of 475 students and offers a challenging education based on Christian principles to the Peoria community. The institution provides a career and college preparatory curriculum that addresses the needs of all students, while integrating Catholic Christian values and moral ethics. The educational program is designed for each student to have the opportunity to realize academic excellence. Peoria Notre Dame acknowledges parents as the primary teachers of faith and values. With their support, the administration and staff are committed to reinforcing the attitudes of Christian service, respect for life, and responsibility to oneself and the community at large. Opportunities to witness their faith arise through planned classroom activities as well as through co-curricular activities. As a family-oriented faith community, we engage students, parents, faculty, staff, administration, alumni, and parishes in our mission. Our students draw upon these resources for the necessary guidance and support to deepen their faith and become informed, contributing members of the Church and society.
